

Business Banking

Our business checking and savings accounts help you make the most of your cash flow.

Checking Accounts

Business Checking

Designed to help you make the most of your cash flow. Balances in the account earn an earnings credit that is applied to offset the activity charges.

- \$500 minimum opening balance
- \$23.00 account maintenance fee
- \$0.23 for debits
- \$0.40 for credits
- \$0.17 for Business ACH Item posted
- \$0.15 for checks deposited
- \$1.30 for cash deposited per \$1,000

Small Business Checking

Developed for sole proprietors, entrepreneurs, and small businesses with low transaction volume.

- \$500 minimum average balance
- \$10 monthly charge if minimum balance is not maintained
- 100 free transactions/month; \$0.25 per item thereafter
- Two mobile deposit users included

Savings Accounts

Business Scale Money Market Fund

Designed to earn you a higher rate of return on larger balances, while providing immediate access to funds.

- \$10,000 minimum balance
- \$20.00 charge if balance falls below minimum

Business Insured Money Market Savings

Earn a competitive rate of interest on your unused balance without losing access to your money.

- \$1,000 minimum balance
- \$10.00 charge if balance falls below minimum

Business Savings

Offers interest earnings and liquid access for your short-term available capital.

- \$100 minimum balance
- \$1.00 charge if balance falls below minimum
